Litigation & Cases

Waiver is the word.

- Still have two cases that will not die with KHC, got favorable decision in hearings in in both cases but effectuating the decisions has been tough and ongoing

Outreach & Enrollment

- Families USA Health Action. Presented at the largest national conference for health policy advocates. Also on panel with Ellen Nissebaum a lead lobbyist and healthcare guru at the Center for Budget and Policy Priorities in DC.
- Presented at NHeLP, national health law program in December
- Spoke at large rally in NKY on Healthcare
- Invitations to speak to groups continue, am booked in every month of 2017
- Participated in Press Conference w/Nat'l Group
-

Picture : also while in DC for had meetings with the health care staffers for Rand Paul, Mitch McConnell and Brent Guthrie because of his position on the committee at the time of AHCA

#KYGA17

VERY Different than last year, didn't get invited to testify 9 times in front of committees

URLTA: Started in the Kentucky senate. I rallied 3 firm republican co-sponsors, due to the loss of Senator Brandon Smith as a sponsor.

Kentucky Council of Churches Prayer In Action day: every Tuesday of the session and I was at most of them and spoke at two of them.

New Partners, Networks:

- Covington police department and Covington code enforcement came to me to ask for a meeting about problem landlords
- Supporting Latino Families in NKY Group, Presented 2x
