About Us
Kentucky Equal Justice Center was formed in 1976 to work with all of Kentucky’s civil legal services programs on statewide issues and projects. Today we are a flexible and responsive public interest advocacy organization with a wide variety of community partners. We convene periodic statewide task
forces in four areas of poverty law—Consumer and Housing, Family, Public Benefits and Workers’ Rights—and provide immigration law services through Maxwell Street Legal Clinic in Lexington. Our work includes policy advocacy in all these areas.
