

# I'm an immigrant.

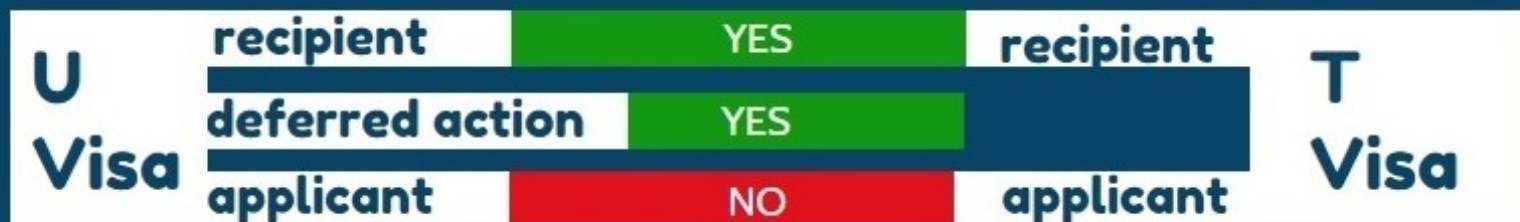

## Am I eligible for a coronavirus check?

If you are an immigrant, there are **two main requirements** to receive the stimulus money:

1. You have work authorization and a valid social security number, and
2. You filed taxes in 2018 or 2019.

You must also meet all the same eligibility requirements as U.S. citizens (such as income).

**NOTE:** If you live in a "mixed status household" (some people in the house have immigration status and some don't), you may not qualify. See the FAQs below for more information.
